

# AUGUST 2010 NEWSLETTER

Hello Ministry Partners.

Welcome to the first newsletter of the Brockintons in Belize. Every month we plan to send out a monthly newsletter about all that God is doing in Belmopan through your partnership with us. At first I will share on the progress and preparedness for moving to Belize in February of 2011. Once we are there, we will send you the newsletter full of photos to share what God is doing – hopefully this will put a face to the work

We will also connect with you via Facebook (mine: Lee Brockinton). Robyn's blog, www.brockintons.blogspot.com, will share her journey of the mission field. Robyn does a great job capturing the emotions and of our journey. You are always free to email me as well: lee@lifebelize.com

## What We Will Be Doing In Belize:

To summarize, we will plant a healthy church in Belmopan in order to raise up reproducible leaders to plant new churches throughout the nation of Belize. We desire to take the first year to see 12-20 new Believers won to the Lord. With that small group of 20, we will focus on discipling them and raising them up to be exceptional leaders. After a year or two, we will have the solid leadership to truly impact the city for the Lord. Many times, people desire to have a large crowd quick. We feel that this would only hinder us, rather than help us. Trying to disciple 100 is a whole lot more difficult than discipling 20. Often times a larger crowd dilutes the effectiveness of leadership development. Jesus taught us how to raise up leaders by personally investing into their lives, teaching them, and releasing them to go out and practically do what they have been shown. So in order for us to truly impact the city for the Lord, we must begin small, very

focused on raising up and releasing well equipped Believers. These well-equipped few will go out and duplicate what they have been equipped for and together as a team, we can impact the city. We see this example with Jesus and His disciples as well as with Paul’s instruction to Timothy: || Timothy 2:2 - *And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.*

**Budget Update:**

God is so good and so amazing. Churches of all denominations have felt the leading of the Lord to partner with us in Belize. We are well on our way to achieving our budgetary needs. Below you will see a graph that tells you where we are in the process.

If you know of churches or individuals that you feel would be interested in partnering with us, please don’t hesitate to let us know

## July's Missions Trip

We had an amazing God-centered time in Belize. The July Mission trip had a two-fold purpose for my family. First, to bring a team of 20 to reach out to the towns of Benque and Santa Elena. Secondly, our trip was to prepare for our move in January or February of 2011. Well, both purposes were very successful. Our team of 20 divided into teams of 10 to reach out to each town. We ministered to over 140 kids during the week and saw 55 children as well as adult come to know Jesus as their Savior.

Top right: My first experience driving in Belize. I was terrified at first attempting to drive through the very busy streets of Santa Elena and Benque. I also had to drive up and down some very rocky roads, but after the first drive, I was more confident and did fine.

I wanted to update you on the move to Belmopan. We are still on target to move late January or early February. We think we found a home. This particular home is about a 10 minute walk from the University of Belize campus. It is right up the street from the only mosque in Belize – so we have something to pray about. We need a larger home to accommodate my office, guests coming to stay with us and a couple of people that may join us on the mission field. We also need a larger space to begin the church. Well this house has a huge balcony – it will make a perfect place to host gatherings for the church. We should know soon if we are getting the home.

Thank you, thank you, thank you for your prayers and partnership. I am so amazed how God is orchestrating this journey. My family greatly appreciates your prayers. Please feel free to disperse this newsletter to anyone that you feel would be blessed by it.

We bless you in the Name of Jesus: Lee, Robyn, Josh, Tori, and Erika
